Hi Susan,

John Smith responded to an email regarding this meeting saying,

Ex. 5 Deliberative Process (DP)

I still do not have my footing yet regarding what the larger Brownfields program could do to assist (besides grants & the application period just closed). However, I am happy to handle this meeting with Stan, Kristen Nazar, and focus on TBA.

I realize this is a non-answer but in a nutshell, I am willing to go into the meeting without your attendance. There is certainly enough background information on this TBA application to cover so John's questions might change course.

Best,

Also, I spoke with Stan yesterday and suggested that I did not need to attend unless you wanted me to. So I have not accepted the appointment. You did an excellent job the other day summarizing the situation and addressing some difficult questions so I don't know that I am needed.

Good morning, Susan,

I am putting together a presentation for this afternoon's meeting with DeAndre and John. Ex. 5 Deliberative Process (DP)

Any insight you could provide would be appreciated.
